Growth Habit: Upright rounded, horizontal branching; Grows faster and more uniform; Interesting chocolate colored bark

Firebird™ Dogwood

Cornus florida rubra 'Fircomz'

Height: 20'

Width: 20'

Zone: 5

Leaf: New growth is variegated pink-red & rich green; plum-purple, bright pink and red fall color

Bloom/Fruit: Show of pink and white bracts surrounding yellow-green flower clusters; ruby-red berry-like fruit

Bloom Size: 4"

Bloom time: April to May prior to emerging leaves

Growth Habit: Semi-rounded head; slower growth rate

Pagoda Dogwood

Cornus alternifolia

Height: 25'

Width: 35'

Zone: 4

Leaf: Elliptic-ovate medium green; Purple fall color

Bloom/Fruit: Yellowish-white, fragrant; Bluish-black berries, fruit matures in late summer

Bloom Size: 2½"

Bloom time: May to June

Growth Habit: Very hardy, small rounded ornamental tree; Horizontal branches form tiers/layers

Ragin' Red™ Dogwood

Cornus florida 'JN13' US PP29,424 P3

Height: 25'

Width: 20'

Zone: 5

Leaf: Flowers are followed by striking red new growth; deep burgundy fall color

Bloom/Fruit: Deep red; red fruit in fall

Bloom Size: 3"

Bloom time: Spring

Growth Habit: Upright; slow growth rate

COMING SOON!

Cherokee Brave Dogwood

Cornus florida rubra 'Comco No. 1'

Height: 30'

Width: 35'

Zone: 5

Leaf: New growth is reddish-green, turning to rich green as the leaves mature; brilliant burgundy-red fall color

Bloom/Fruit: Deep pink-red fading to white in center prior to emerging leaves; followed by vivid red fruit clusters

Bloom Size: 3½" to 4½"

Bloom time: April to May

Growth Habit: Faster growing, broadly-pyramidal but somewhat flat-topped rounded crown, extremely vigorous

Blue Ray™ Dogwood

Cornus kousa 'JN6' US PP28,936 P2

Height: 20'

Width: 20'

Zone: 5

Leaf: Blue-green leaves lay flat; red fall color

Bloom/Fruit: White four-pointed bracts surrounding tiny flower clusters; small red fruit

Bloom Size: 3" to 4"

Bloom time: Spring

Growth Habit: Vase shape silhouette with spreading habit; moderate grower

COMING SOON!

Cloud 9 Dogwood

Cornus florida 'Cloud 9'

Height: 15'

Width: 20'

Zone: 5

Leaf: Oval dark green; rust-red foliage in autumn

Bloom/Fruit: Large white overlapping petals, flowers profusely at a young age; bright red fruit

Bloom Size: 4" to 5"

Bloom time: April to May

Growth Habit: Spreading broadly rounded crown; slow growing

Champions Gold® Dogwood

Cornus kousa 'Losely' US PP23,423 P3

Height: 15'

Width: 15'

Zone: 5

Leaf: New growth is green turning bright-yellow then pink, in a mass of variegated gold and pink in summer; fall color is orange and red

Bloom/Fruit: White bracted flower, symmetrical star shape; 3 cm red fruit

Bloom Size: 3½" to 4"

Bloom time: April to May lasting up to 6 weeks

Growth Habit: Shrubby, great branching structure and central leader; fast growing

Chinese Dogwood

Cornus kousa chinensis

Height: 20'
Width: 20'
Zone: 5
Leaf: Deep green foliage changes to scarlet in the fall
Bloom/Fruit: Prolific ivory-white star shaped blooms in abundance; followed by 3 cm red fruit
Bloom Size: 3½" to 4"
Bloom time: May to June
Growth Habit: Small but hardy

Elizabeth Lustgarten Dogwood

Cornus kousa 'Elizabeth Lustgarten'

Height: 15'
Width: 15'
Zone: 5
Leaf: Deep green broadleaf turning outstanding brick red in the fall
Bloom/Fruit: Snow-white bracted flowers; crimson berries early to mid-fall
Bloom Size: 4"
Bloom time: Late spring lasting several weeks
Growth Habit: Rounded weeping habit with cascading branches

Galilean® Dogwood

Cornus kousa chinensis 'Galzam'

Height: 25'
Width: 20'
Zone: 4
Leaf: Leaves emerge light green and mature large glossy hunter green in summer; burgundy & red fall color
Bloom/Fruit: Bright white blooms; abundant red berries early to mid-fall
Bloom Size: 6"
Bloom time: Late spring to summer
Growth Habit: Heavy broad upright vase that becomes rounded at maturity; Disease resistant

Heart Throb® Dogwood

Cornus kousa 'Schmred'

Height: 20'
Width: 20'
Zone: 5
Leaf: Bright bluish-green; dark burgundy-red fall color
Bloom/Fruit: At a young age flowers are white maturing to deep rose-pink; large ¾" red-raspberry like fruit mid to late summer
Bloom Size: 4"
Bloom time: Late spring lasting up to 2 months in Oregon
Growth Habit: Moderate grower with a rounded form, at an early age exhibits good branching and exfoliating bark

Radiant Rose™ Dogwood

Cornus kousa chinensis 'Hanras'

Height: 20'
Width: 18'
Zone: 5
Leaf: Heavily textured dark green leaves tinged with red; deep orange-red color in the fall
Bloom/Fruit: Large rich-red to red-pink blooms; red strawberry-like fruit in late summer to early fall
Bloom Size: 6"
Bloom time: May to June lasting 2 to 3 weeks
Growth Habit: Moderate grower with spreading arching habit; more cold and heat tolerant than the species

Rosy Teacups® Dogwood

Cornus kousa x nuttallii 'KN144-2' US PP26,211 P3

Height: 20'
Width: 20'
Zone: 6
Leaf: Green with greyed purple veins & tips; yellow, orange & red fall color
Bloom/Fruit: Rosy-pink, darker towards the edges; 1" orange-red fruit
Bloom Size: 6" to 8"
Bloom time: Early to mid-May for 3 weeks or more
Growth Habit: Densely branched forms rounded head slightly wider than tall; winter hardy; disease resistant

Samaritan® Dogwood

Cornus kousa 'Samzam'

Height: 25'
Width: 20'
Zone: 4
Leaf: Creamy-white & green variegated; Radiant pink and burgundy in autumn
Bloom: Brilliant white; 3 cm red berry-like fruit in fall
Bloom Size: 4"
Bloom time: May to June
Growth Habit: Shrubby rounded vase-shape with a layered, horizontal branching habit; Moderate growth rate

Snow Tower™ Dogwood

Cornus kousa chinensis 'Snow Tower'

Height: 20'
Width: 8'
Zone: 5
Leaf: Dark forest green; Red to red-orange with hints of purple in the fall
Bloom: Large white
Bloom Size: 7"
Bloom time: May to June
Growth Habit: Columnar, strong central leader, very symmetrical, tight branch angle

Variegated Stellar Pink® Dogwood

Cornus kousa x florida 'KV-10-105v1' US PP24,952 P3

Height: 15'
Width: 15'
Zone: 6
Leaf: Foliage emerges tri-colored; Multiple shades of brilliant red-purple margins with dispersed shades of violet-blue.
Bloom: Rich pink with lighter colored margins
Bloom Size: 3½" to 4"
Bloom time: Late March through mid-April
Growth Habit: Upright, spreading habit; Vigorous grower

Venus® Dogwood

Cornus kousa x nuttallii 'KN30-8' PP 16,309 P3

Height: 25'
Width: 25'
Zone: 5
Leaf: Mildly wavy green leaves turn grey-purple, yellow, yellow-orange and red in the fall
Bloom: Profusion of huge white flowers, followed in the fall by attractive strawberry like fruit
Bloom Size: 6" to 8"
Bloom time: Spring
Growth Habit: Dense tree, branched low to the ground with upright branches forming a rounded head, wider than tall; Vigorous growth; Winter hardy; Sandpaper rough, exfoliating bark

Golden Glory Dogwood

Cornus mas 'Golden Glory'

Height: 25'
Width: 20'
Zone: 4
Leaf: Ovate to elliptic dark-green leaves; Purplish-red fall color
Bloom/Fruit: Prolific yellow flowers on short stalks followed by the leaves; 1" cherry-like oblong fruit
Bloom Size: ¾"
Bloom time: March
Growth Habit: Small oval shaped tree more erect in appearance and more vigorous than the species; Exfoliating bark
